Kelokedara's village centre is just a short drive
away, yet...

For Sale : **€ 40,000**

Description
Kelokedara's village centre is just a short drive away, yet this residential land gives you a real sense of space. Spread over 12,041 m² in the Paphos district, it offers room for a home shaped entirely around your own ideas, from the layout to the materials.

The land has a regular shape and a gentle slope, with a long combined frontage. These are practical qualities when you start picturing where a home might sit and how it could open to the land around it.

The wider area has its own draw. The Sanctuary of the Paphian Aphrodite is within a drive for an afternoon among ancient stones, and Paphos International Airport is about 15 km away.

The sale is for a 55% share of the land.

Generous residential land close to village life, ready to be imagined as the home you have in mind.
