Description
Picture a whole floor of a residential building in Paralimni as your own, with an open-air veranda waiting just beyond the living room. On the second floor, this two-bedroom apartment keeps everyday life simple and close to home.

The layout is easy to live with: a living area for slow evenings, a kitchen, two bedrooms and a bathroom. The uncovered veranda gives the home its outdoor moments, whether that is a morning coffee in the fresh air or a quiet hour as the day winds down. Two parking spaces take care of the daily coming and going.

A primary school sits a short walk away, which makes the school run part of a gentle morning routine. The town centre, with its shops, cafés and medical centres, is a short drive, and so is Paralimni Lake when you want a change of scene. Life here moves at the easy rhythm of an established residential neighbourhood.

Please note that the apartment is currently occupied.

A full floor, an open veranda and a school just steps from the door make this a comfortable base for everyday life in Paralimni.
