Description
Village life in Pegeia starts at the front door here, with shops and cafés within walking distance and the beach at Coral Bay a short drive away.

This two-storey semi-detached house sits in a small complex of fourteen homes that share a swimming pool. On the ground floor, an open-plan kitchen runs into the living area, with a guest toilet to hand. Upstairs, both bedrooms have their own en-suite bathroom, so each has a private corner to retreat to at the end of the day.

Covered verandas give you a sheltered place outdoors for a morning coffee or a slow evening meal. On warm afternoons, the communal pool is only a few steps away. Paphos International Airport is about 20 km away.

A distribution agreement is in place. With a pool on hand and a village to stroll into for coffee, this house offers an easy, sociable taste of Mediterranean living.
