Description
Life in Pegeia moves at an easy village pace, with shops, cafés and tavernas a short walk from the door and the sands of Coral Bay a short drive away. Here, a two-storey semi-detached house sits within a small residential complex of fourteen homes that share a communal swimming pool.

The ground floor opens into an open-plan kitchen and living area, where cooking and conversation flow together, with a guest toilet set to one side. Covered verandas give a sheltered spot outdoors for a morning coffee or a long evening meal. Upstairs, each of the two bedrooms has its own en-suite bathroom, a private space to begin and end the day.

Sensible proportions meet a setting made for a relaxed coastal rhythm: a swim in the shared pool, a stroll into the village for dinner, an afternoon by the sea. Paphos International Airport is about 20 km away. A distribution agreement is in place.

With the pool on hand, the village a walk away and the beach a short drive off, Mediterranean days come easily here.
