Close to the sea and a stroll from the restaurants
and cafés...

For Sale : **€ 250,000**

Description
Close to the sea and a stroll from the restaurants and cafés of Kalavasos, this house is part of a residential project in a village with a strong sense of place. Larnaca International Airport is near, and the Kalavasos-Tenta heritage site is a short drive away.

The house is not yet finished. Once complete, the ground floor will hold a living room and an open-plan kitchen and dining area, with a guest toilet. Upstairs, three bedrooms will each have their own en-suite bathroom, a layout shaped around comfortable family living. Outside there are covered verandas, a private swimming pool and a parking space, all on a plot of 655 m².

Picture evenings on the covered veranda, the pool beside you and the sea only a short way off, with dinner at a village café just a walk away. The sale is of a share in the residential project, with a distribution agreement in place.

A family home in the making, set between the sea and the everyday life of Kalavasos.
