For Sale : **€ 750,000**

Description
On a corner plot in the residential quarter of Apostoloi Petros and Pavlos, this four-bedroom house keeps the everyday close at hand. Schools and cafés are within walking distance, and Limassol's city centre is only a short drive away.

The ground floor is made for gathering. An open-plan living and dining space opens around its own bar area, and the kitchen has a sitting corner for unhurried mornings over coffee. A separate office, a laundry room and a guest toilet keep daily life in order. Covered and open verandas carry family life outdoors, with shade or sun for long evenings.

Upstairs, four bedrooms share the floor, one with its own en-suite bathroom. Below ground, a basement adds a storage room, a boiler room and a parking space, so the living areas stay clear of clutter.

The house is currently occupied. It is a generous home with room for a family to spread out, set within the life of a well-served Limassol neighbourhood.
