Description
Just outside Palodeia village, in the Limassol district, this four-bedroom family house stands on a large plot of 5,352 m². Its setting is open, with scattered homes and undeveloped land around it. A swimming pool and a veranda bring Mediterranean outdoor life to the doorstep.

The ground floor centres on an open-plan living and dining area, joined by a kitchen, a laundry and a guest toilet. Upstairs are four bedrooms, two of them en-suite, and a bathroom. Under the roof, an attic holds an office, a sitting area and storage space. The basement contains two apartments, adding to the flexible layout.

Outside, two kiosks with a kitchen, a barbecue area and a bar create a natural gathering place beside the pool. Picture friends around the grill on a warm evening, with the veranda close at hand. Two covered parking spaces complete the picture.

The village centre and the nature spot of Kountouros are both a short drive away. The house is currently occupied. A generous home with a pool and room for gatherings, on wide grounds at the edge of village life.
