Description
In Geroskipou, with schools, supermarkets and shops within walking distance and the centre of Paphos a short drive away, this five-bedroom house stands on a generous plot of 1,862 m² with its own swimming pool.

The ground floor has room for everyday life and for entertaining. There is a sitting room and a living room, a casual dining room for daily meals and a formal one for special occasions, a kitchen and a guest toilet. Upstairs are four bedrooms, two of them en-suite, and a family bathroom. The basement adds a fifth bedroom with its own bathroom, a small kitchen and storage space. Parquet floors in the bedrooms, a fireplace, central heating, double glazing and an alarm system bring comfort in every season.

Outdoors, verandas, a canopy, a barbecue area and the private pool set the scene for long, sociable evenings with family and friends. Covered parking takes two cars.

Around the house, homes and holiday developments share a residential neighbourhood, and the pool is waiting at the end of each day.
