Description
In the residential neighbourhood of Agios Antonios, Nicosia, this three-bedroom apartment unfolds across the ground floor and a lower level. It has a private yard of 91 m², and cafés, restaurants and shops are an easy walk away.

On the ground floor, an open-plan hall leads into the living and dining area and kitchen. Here a fireplace brings warmth to winter evenings. Two bedrooms share this level, one with its own en-suite, alongside a further bathroom. Downstairs, a second open-plan sitting room with a kitchenette and laundry sits beside the third bedroom and another bathroom, giving the home a whole second living area of its own.

Parquet floors, double glazing and central heating add everyday comfort, and a parking space is reserved for the apartment. The veranda and the yard offer room to sit outside and enjoy the fresh air.

With schools right next door and the city centre within easy reach, daily life stays close at hand. The apartment is currently occupied.
