Description
Two generous homes share one roof in Panagia, Nicosia. Houses and apartment buildings surround it, and shops, cafés and restaurants are an easy walk away.

Each floor holds a complete three-bedroom apartment. On the ground floor, open-plan living and dining spaces flow around a bar, and the kitchen has its own dining area and living room. Upstairs, the first-floor apartment adds warmth with a fireplace in the living and dining room and another in the kitchen's sitting area, made for winter evenings spent close to the fire. Both homes have a laundry room, a guest toilet, a family bathroom and a main bedroom with en-suite and walk-in closet. Double glazing, central heating and split units are fitted in both.

Beyond the main building stand two smaller ones. One holds a shower room with toilet and a kitchenette, and the other has a bedroom with its own shower room, adding space beside the apartments.

Two spacious, well-equipped homes on a 642 m² plot, set in a residential neighbourhood where everyday city life is close at hand.
