Description
A large yard with its own private swimming pool sets the tone for this four-bedroom house in Agios Vasileios, Strovolos, where long days at home can drift easily from the rooms out to the water.

The ground floor gives everyone space. An entrance hall leads to a living room, a dining room and a separate sitting room, while an office offers a place to work away from the bustle of family life. The kitchen has its own sitting area, with a kitchenette alongside and a guest toilet nearby. A veranda adds somewhere to sit outdoors, and there is parking for one car.

Upstairs, four bedrooms share a bathroom, and one of them has its own en-suite and walk-in closet.

Around the house lies a residential neighbourhood, with shops and cafés within walking distance and easy access to both the centre of Nicosia and the motorway. Unhurried afternoons by the pool, with the city within easy reach, are what this home invites.
