For Sale : **€ 515,000**

Description
Close to the sea in Agia Marina, on the Chrysochous side of Paphos, five villas and a small shop are taking shape among homes and open plots. It is a setting where the water is never far away, and where everyday errands stay simple, with supermarkets and shops within walking distance and the village centre a short drive away.

Four of the villas share the same plan. Each has an open-plan kitchen with living and dining space, a bedroom and a shower room on the ground floor, and two en-suite bedrooms upstairs. The fifth follows the same layout on a slightly larger scale. The shop sits alongside the coastal road, and the whole site of 2,397 m² has direct road access.

The work is unfinished. The four matching villas have reached plastering on the ground floor and brickwork upstairs, the fifth is at foundation stage, and the shop is incomplete.

Picture the project complete: open-plan rooms filling with family life, and the sea only moments from the door. Five homes and a shop already rising in a coastal village make this a project worth a visit.
