For Sale : **€ 510,000**

Description
Finikoudes beach lies just a short stroll away, Larnaca Castle sits around the corner, and the church of Saint Lazaros is an easy walk through the streets of Skala. Cafés, restaurants and shops are right beside the building, and the Venetian Lion stands close by, so daily life here unfolds on foot.

The apartment is set over two levels, joined by an internal staircase, so living and sleeping each have their own floor. Downstairs, an open-plan living and dining area runs into the kitchen, with a guest toilet close at hand. Upstairs are two bedrooms, one with its own en-suite, and a further bathroom. Double-glazed windows, ceramic floors and split units complete the picture.

A veranda gives you a spot of your own outdoors, a place for a morning coffee before heading down to the sea or wandering out for lunch among the neighbourhood's cafés. Schools, pharmacies and bus stations are all within walking distance.

This is a home where the beach, the castle and the old quarter of Skala become part of an everyday walk.
