For Sale : **€ 345,000**

Description
Distant sea views and a wide outlook over the surrounding area give this residential field in Kouklia its quiet charm. The village centre is a short drive away, and so is the ancient Sanctuary of the Paphian Aphrodite, so village life and a celebrated piece of history are both close at hand.

The land covers 6,308 m² in a neighbourhood of homes and undeveloped parcels. It has direct road access along one side and a registered pathway along another. Its residential zoning allows a home of up to two floors, and the land can be connected to water, electricity and telecommunications.

Picture a home of your own design here, with its rooms turned towards that far-off line of sea and the views opening out around you as the day ends. Paphos International Airport is within a drive, which keeps the journey to and from Kouklia simple.

Generous land, a residential setting and the sea on the horizon make this a place where a home can take shape.
