For Sale : **€ 315,000**

Description
Close to the beach at Agios Theodoros, in the Larnaca district, this field of 7,135 m² offers a partial sea view. It lies in a touristic zone, which allows tourist use such as hotels of up to three floors, or tourist villages and houses of up to two floors. The land has an irregular shape and direct road access, with the potential for water, electricity and telecommunication connections. Around it, scattered homes sit among fields of dry crops, orchards and greenhouses. Maroni is a short drive away, and the Larnaca–Limassol motorway is within a drive. A sizeable piece of touristic land, near the sea and open to the coast.
