Description
In the Agios Fanourios quarter of Aradippou, close to Larnaca, this field of 3,763 m² has direct road access along a public road. The area around it mixes homes with open, undeveloped parcels, and the main motorways are within easy reach.

Most of the land lies within a public-use zone. A small part sits in a residential zone, with room for a home of up to two floors on that part. This is a sizeable field of mixed zoning within the Aradippou area.
