For Sale : **€ 290,000**

Description
Three adjacent fields form this agricultural holding of 63,650 m² in Psematismenos, with the village of Maroni a short drive away. The land sits among undeveloped parcels and is zoned for farming.

The ground is irregular in shape and has a sloping surface. The land could be connected to water, electricity and telecommunication services. It has no direct road access.

Together, the three fields make one large, continuous piece of farmland.
