Description
Covering 59,199 m², this agricultural holding is made up of two adjoining fields, one in Alethriko and one in Anglisides, in the Larnaca countryside. The ground is irregular in shape, with an uneven, sloping surface, and the land around it is undeveloped. Its agricultural zoning suits farming and planting.

The land has no direct road access. The surrounding area includes the villages of Anglisides and Menogeia. Together, the two fields form one large, continuous piece of agricultural land.
