For Sale : **€ 322,000**

**Description**
Close to the centre of Pano Pyrgos, this land is made up of two adjoining parcels with a combined area of 35,118 m². The larger parcel lies in an agricultural zone and suits farming or planting. The smaller parcel, 2,107 m², is zoned residential, with room for a home of up to two floors.

The land has frontage on a dirt road along one side, which gives it direct road access. The land around it is a mix of undeveloped plots and some homes, and the village of Pigenia is a short drive away. It is a sizeable agricultural holding with a residential parcel beside it, close to the village.
