For Sale : **€ 250,000**

Description
Pegeia village is right on your doorstep, and its cafés, restaurants and shops are within an easy walk of this residential field. Green spaces are also a short stroll away, so everyday life here can move at a gentle village pace, with coffee, groceries and a quiet walk all close at hand.

The land sits among homes and other open parcels, close to the centre of the village. Its residential zoning gives room for a home of up to two floors. A generous frontage onto a registered road gives it direct road access, which makes it simple to picture arriving at your own front door.

A short drive takes you to the Maa Palaeokastro archaeological site and museum, a fine outing for a slow afternoon and a link to the heritage of the Paphos area.

What is offered is a 2/5 share of the field. It is sizeable residential land within the life of Pegeia, with the village and its everyday comforts only a walk away.
