Description
In a settled residential part of Aglantzia, with restaurants and cafés within an easy stroll and simple access to the heart of Nicosia, this three-bedroom apartment offers a comfortable base for everyday life.

Home life gathers around an open-plan living and dining area that flows into the kitchen, a sociable space for shared meals and long, relaxed evenings. A veranda gives you somewhere to step outside with a morning coffee or linger once the day is done. Three bedrooms include one with its own en-suite, joined by a further bathroom and a guest toilet, so busy mornings and visiting friends are easily handled.

Practical touches make daily routines lighter. A covered parking space is set aside for the apartment's own use, and a storage room on the ground floor keeps the things you need out of the living space. Medical centres and pharmacies sit right next door, while supermarkets, schools and parks are a short drive away.

A well-planned home in a neighbourhood where the essentials of the week are never far from your door.
