Description
A short drive from the centre of Pano Arodes, this sizeable stretch of residential land lies among open plots and a scattering of homes. The village's cafés, shops and everyday life are close at hand.

Two fields come together here to form 7,202 m² of level ground. Residential zoning gives room for a home of up to two floors, and water, electricity and telecommunications could be connected. It is easy to imagine a house taking shape on this flat land, with the neighbouring villages of Kato Arodes and Kritou Tera a short drive away. The beaches at Toxeftra and White River Beach are within a drive for days spent by the sea, and Paphos International Airport is about 25 km away.

The land has no direct road access. One of the two parcels is offered as a 9/10 share.

Flat ground, a village setting and the coast within reach make this a place to begin planning a home in Pano Arodes.
