For Sale : **€ 230,000**

**Description**
A short walk from the heart of Oroklini and its village church, this residential field sits among homes and a few open parcels, with village life close at hand. Restaurants and cafés lie right beside it, and Larnaca is only a short drive away.

Its residential zoning offers room for a home of up to two floors. Picture mornings that begin with a stroll into the village centre for coffee, and evenings spent close to the familiar rhythm of the neighbourhood, with schools and a sports venue on the doorstep. The land is set to gain road frontage along two of its borders.

A distribution agreement assigns this share its own plot within the field. The sale is a 1508/2655 share of the field.

For anyone drawn to village living within easy reach of Larnaca, this is a chance to plan a home in the heart of Oroklini.
