Description
A park sits right beside this one-bedroom house in Perivolia, and restaurants and cafés are within walking distance, so an easy evening out never needs the car. The streets around it are lined with homes, giving a settled residential setting, while the sands of Faros beach are a short drive away.

Inside, the living and dining area flows into the kitchen as one open-plan space, the natural heart of the home for cooking, sharing a meal and unwinding at the end of the day. A bedroom and a bathroom complete the main living space, with a separate guest toilet for visitors. Above, an attic serves as storage, keeping everyday clutter neatly out of sight.

The house stands on a 605 m² plot, a generous setting for a compact, unpretentious home.

With green space next door, cafés a stroll away and the coast close at hand, it offers a relaxed way of life in a familiar corner of Larnaca.
