Description
In Geri, in the Nicosia district, open parcels of land sit alongside scattered homes, and the calm of Athalassa Lake is a short drive away. This sizeable field of 5,928 m² lies in a residential zone, with room for a home of up to two floors. The neighbourhood is still taking shape, mostly undeveloped land with houses dotted here and there. It is a setting where you can picture a future home among wide plots, with time by the lake close at hand and the schools, shops and cafés of Latsia a short drive away for everyday life. The field has no direct road access. A distribution agreement is in place. The sale is of a 1/2 share of the field. Residential land in Geri, with Athalassa Lake nearby, is a calm base for a home to come.
