For Sale : **€ 170,000**

Description
Fields and open, undeveloped parcels set the scene around this piece of land in the countryside of Sotira. The village centre is a short drive away, and so is Paralimni Lake, so village life and a well-known natural spot of the area are never far from the open ground. At 3,786 m², the field sits in a residential zone, with room for a home of up to two floors. The farmland and open parcels around it give the setting a rural character, while the towns of Paralimni and Frenaros are also a short drive away for everything beyond the village. Picture a future home rising among fields, with Sotira's daily rhythm close by and the wider Famagusta district around you. The field has no direct road access. Sizeable residential land in the Sotira countryside, set among fields with the village close at hand.
