Description
Within Pegeia, outside the village centre and near the Piknis forest, this field covers 6,689 m² of sloping ground with an irregular shape. It has direct road access along a dirt road. Around it lie undeveloped parcels of land and a few scattered holiday homes. Part of the land is zoned agricultural and suits farming or planting. Another part is zoned residential, with room for a home of up to two floors. It is a sizeable field that brings farmland and residential land together in one holding.
