Description
Set among farmland and undeveloped parcels outside Agios Mamas, this field offers 10,703 m² of flat agricultural ground in the Limassol countryside. Its level surface and agricultural zoning lend it to farming or planting, and water, electricity and telecommunication services could be connected to it. The land has no direct road access.

The centre of Agios Mamas is a short drive away, as is the neighbouring village of Trimiklini. A sizeable, level piece of farmland surrounded by open agricultural country.
