For Sale : **€ 165,000**

Description
A short walk from the centre of Dali, with its cafés and restaurants close at hand, this land lies in the Panagia Evangelistria quarter, and the Gialias river is close by. Around it, homes stand alongside open parcels of land, giving the neighbourhood a settled residential feel.

The land is made up of two fields with a combined area of 2,639 m². It sits in a residential zone, with room for a home of up to two floors.

The land has no direct road access.

Picture a home here, with a morning coffee in the centre of Dali just a stroll away and the river nearby. It is a setting where the life of the town lies close to your own front door.
