For Sale : **€ 147,000**

Description
Among agricultural fields and undeveloped parcels outside the centre of Marathounta, this field covers 13,379 m² of Paphos countryside. Its agricultural zoning suits farming or planting. The land has no direct road access.

Marathounta's village centre is a short drive away, and the villages of Armou and Konia are also close by. The ground slopes slightly across a sizeable plot of irregular shape.
