For Sale : **€ 152,000**

Description
Two neighbouring fields of agricultural land lie outside Agios Theodoros, a short drive from the village centre and from the villages of Maroni and Psematismenos. Farmland and undeveloped parcels surround them. The main field covers 26,757 m² in an agricultural zone, suited to farming or planting. The land has no direct road access. The adjacent field of 33,446 m² is offered as a 1/2 share. Together the two fields form a sizeable stretch of farmland in open countryside.
