For Sale : **€ 141,000**

Description
Just beyond the edge of Maroni village in the Larnaca countryside, this residential field lies among homes and open parcels of land, with the coastline a short drive away. Restaurants and cafés are within walking distance, so a morning coffee or an evening meal out can begin with a stroll.

The land sits in a residential zone, with room for a home of up to two floors. Imagine village life around you, the shops and supermarkets close by, and a choice of beaches, Governor's Beach among them, within easy reach for a swim at the end of the day. Neighbouring villages such as Zygi, with its seaside charm, and Psematismenos are a short drive, and Larnaca International Airport is about 25 km away.

Under a distribution agreement, this share corresponds to two defined plots within the field. The sale is a 2189/22074 share of the field.

A village setting, the sea nearby and space for a home of your own make this a corner of Larnaca worth getting to know.
