Village life is within easy reach of this residential field...

For Sale : **€ 140,000**

Description
Village life is within easy reach of this residential field in Trimiklini. The village centre is a short stroll away, so a morning coffee at a café or an evening meal out can be part of an ordinary day, all without the car.

The land covers a sizeable 3,679 m² among homes and undeveloped parcels, and it borders a green area along one side, giving it a softer, greener edge. Its residential zoning offers room for a home of up to two floors, a place to settle into the rhythm of a Limassol village.

Beyond Trimiklini, the neighbouring villages of Saittas and Moniatis are a short drive away and widen the everyday circle. The land has no direct road access.

A generous plot beside green space, a walk from the heart of the village: a setting that rewards a closer look.
