Description
Pissouri village centre is a short drive away, and Columbia Beach Resort lies within easy reach. This residential plot sits among homes and open, undeveloped parcels, with room to shape a home around your own plans. Paphos International Airport is about 15 km away, so arrivals and departures stay simple.

The land measures 907 m² and fronts a registered road, giving it direct road access. Water, electricity and telecommunication services already reach the plot, so the practical groundwork is in place. The residential zoning allows a home of up to two floors, enough to plan generous living space across two levels.

Picture a home designed to your own brief, set in a neighbourhood that is still taking shape. Village life stays close at hand, with restaurants and cafés a short drive away for an easy evening out, and Columbia Beach Resort near enough for a relaxed afternoon.

A well-served plot on the edge of Pissouri, where a home of your own design can take its place between the village and the resort.
