Description
Just a short walk from the heart of Pera Pedi, with cafés and restaurants within walking distance, this residential field brings village life to your doorstep. Troodos National Forest Park lies a short drive away, keeping the forest close at hand for weekends and free afternoons.

The land extends to 3,316 m² and has direct road access along its edge. Its residential zoning gives room for a home of up to two floors, with generous ground around it to shape as you wish. Around it, homes sit alongside parcels yet to be built on, giving the area a settled residential character.

Picture mornings that begin with a stroll into the village for coffee, and days that end with a drive through the hills to neighbouring Kilani or Kouka. Everyday needs, from shops to schools, are a short drive away.

A sizeable piece of residential land in a Limassol hill village, close to its centre and within easy reach of the Troodos forest.
