For Sale : **€ 140,000**

Description
A short drive from the centre of Pano Pyrgos, this large field lies among homes and open parcels of land, with the village's everyday life close at hand and the beaches a drive further on. Neighbouring Kato Pyrgos is also a short drive away.

The land covers 29,098 m² and sits within a residential zone, so there is room for a home of up to two floors. Picture a house rising on that open ground, with the village near enough for morning errands and a day by the sea within reach whenever the mood takes you.

The land has no direct road access. The sale is a 1/2 share of the field.

What stays in the mind is the sheer size of this residential land and its setting close to a working Cypriot village, where homes and open land sit side by side.
