Pissouri village life and the coast at Columbia
Beach Resort...

For Sale : **€ 137,500**

Description
Pissouri village life and the coast at Columbia Beach Resort both lie within a short drive of this residential plot in the Limassol district, a setting where village charm and the seaside sit comfortably side by side.

The land covers 889 m² and is zoned for residential use, offering room for a home of up to two floors. It fronts a road, so there is direct road access, and water, electricity and telecommunication services are already available. Around it, residential developments mix with parcels still waiting for their own homes, giving the neighbourhood a settled yet open feel.

Imagine planning a house here, with the village centre a short drive away for everyday errands and a coffee, and Paphos International Airport about 15 km away for trips abroad and visits from family and friends.

A sizeable residential parcel in Pissouri, connected and accessible, with space for a home designed around its village-and-coast setting.
