For Sale : **€ 136,000**

Description
Pissouri village centre is just a short drive away, and so is the coast at Columbia Beach Resort. This residential plot keeps village life and the sea within easy reach. Around it, homes sit beside open parcels of land, a residential setting that is still taking shape.

The land covers 877 m² and fronts a road, so it has direct road access. Water, electricity and telecommunication services are already in place. Its residential zoning gives room for a home of up to two floors, and you can set your own design priorities from the very first sketch.

For trips abroad, Paphos International Airport is about 15 km away. Everyday life can centre on Pissouri itself, with the village close by for an errand, a coffee or a meal out.

Picture your first morning in a home shaped around your own plans, with Pissouri's village life close at hand and the beach only a short drive away.
