Description
Just a short stroll from the heart of Pigenia village, with the sea not far away, this field brings village life and the coast within easy reach of each other. It is a setting with real character, where the rhythm of the village sets the pace of the day.

Covering 4,348 m², the land lies in a residential zone, with room for a home of up to two floors. It has direct road access along its frontage. Around it, existing homes sit alongside open, undeveloped parcels, giving the neighbourhood a gentle residential feel.

Beyond the village, Pomos Reservoir is a drive away, offering a closer connection to nature for unhurried days out. Picture mornings in the village, afternoons by the water and evenings returning to a home shaped around this sizeable piece of land.

A large residential field close to the village centre, with the sea nearby and space to create a home of your own.
