For Sale : **€ 115,000**

Description
Just beyond the village of Agios Therapon, in the Limassol countryside, this sizeable field offers room for a home of your own. Life here keeps a rural rhythm, with the village centre and its restaurants and cafés a short drive away.

At 3,679 m², the land lies in a residential zone, where a home of up to two floors may be built. It abuts a road along one side, with a generous stretch of frontage, so it has direct road access.

Around it, farmland and undeveloped parcels sit alongside a few scattered homes. That gives the setting an open, unhurried feel, an authentic alternative to town or resort living. Picture a house rising here, with fields beyond the boundary and the village close enough for a morning coffee or an evening meal out.

For anyone hoping to build in the hills of Limassol, this is a plot where open countryside and village life sit side by side, waiting for the next chapter to be written.
