For Sale : **€ 114,500**

Description
A short drive from the heart of Pissouri village, this residential plot sits among homes and open parcels of land. Columbia Beach Resort is within a drive, so the pleasures of the seaside are never far away.

At 739 m², the land has room for a home of up to two floors. It fronts a registered road, which gives it direct road access, and water, electricity and telecommunications are available. That gives you a practical starting point for building.

Imagine shaping every part of it yourself: the layout, the materials, the finishes, all set to the way you want to live. Then picture settling into village life, with the Limassol–Paphos motorway easy to reach for days out in the district. Paphos International Airport is about 15 km away, which makes coming and going simple.

It is a well-placed beginning for a home of your own in Pissouri. Make it yours.
