Description
Outside Koili village in the Paphos countryside lies an agricultural field of 18,934 m², with direct road access along two of its borders. The land around it is made up of farmland and undeveloped parcels, giving the area a rural character.

Its agricultural zoning suits farming or planting. Koili's village centre is a short drive away, as are Tala and Kamares, and the Limassol - Paphos Motorway is within a drive. This is a large farming parcel with road frontage on two sides.
