Description
Pissouri village centre is only a short drive from this residential plot, close enough for a morning coffee, an evening meal out or the weekly shop. The plot sits among homes and open parcels of land, and Columbia Beach Resort is within driving distance for days by the sea.

The land measures 713 m² and is zoned for residential use, with room for a home of up to two floors. It fronts a registered road, so there is direct road access. Water, electricity and telecommunication services are all available to the plot.

Picture sketching out a home here, with plans that start from a connected site rather than a blank field. The village and everyday life are close at hand, and the Limassol–Paphos Motorway is easy to reach. Paphos International Airport is about 15 km away, a comfort for anyone coming and going from abroad.

A buildable plot in Pissouri, with its services in place and village life all around it.
