Description
A short drive from the heart of Pissouri, this sizeable field of 2,504 m² offers room to create a home of your own in a residential setting. Open parcels of land sit alongside some residential developments here, giving the area an unhurried feel, with homes already part of the picture.

The land lies in a residential zone, where a home on up to two floors may be built. It has direct road access, with frontage along a dirt road.

Restaurants and cafés are within walking distance, so a morning coffee or an evening meal out can start with a stroll. Pissouri's village centre is a short drive away, and Paphos International Airport is about 20 km away, keeping journeys to and from the island within easy reach.

Imagine planning a two-storey home on generous land, with village life and its cafés close by. Here, in the Limassol countryside around Pissouri, a home of your own could take shape.
