For Sale : **€ 112,000**

**Description**
The sea lies close by, and the village of Argaka is only a short drive away. This field sits among farmland, undeveloped parcels and several touristic villas, with restaurants and cafés within walking distance, so everyday comforts are never far from open land.

The land falls within a touristic zone, which points to holiday use. The zone allows hotels of up to three floors, and tourist villages or houses of up to two. The field has direct road access along its frontage. The neighbouring villages of Makounta and Gialia are a short drive away, and Paphos International Airport is about 40 km away.

Life here follows the easy rhythm of Argaka: a coffee at a café nearby, an afternoon by the water, an evening back in the village. It is a setting shaped by the sea and the countryside around it.

The sale is a 1800/5017 share of the field. What stays with you is the closeness of the sea and the gentle pace of village life around it.
