For Sale : **€ 113,500**

Description
A short drive from the heart of Pissouri village, and within reach of the coast at Columbia Beach Resort, this residential plot offers a setting with a strong local character in which to shape a home of your own. Around it, homes sit alongside parcels of land still waiting for their story, giving the neighbourhood an open, unhurried feel.

At 733 m², the land has frontage along a road, so it has direct road access. Water, electricity and telecommunications already serve the site, letting your plans start from a practical footing. Its residential zoning allows a home of up to two floors, a canvas for a house designed around the way you want to live.

Picture mornings that begin with a coffee in the village centre and afternoons spent on the coast nearby, with everyday life in Pissouri close at hand. Paphos International Airport lies about 15 km away, keeping journeys home and visits from family and friends straightforward.

A connected plot in a well-loved village setting, ready for you to imagine what comes next.
