Description
Just outside the village of Apesia in Limassol district, this agricultural field covers 15,316 m² of open ground. A long stretch of its boundary runs along a public road, giving the land direct road access. Its agricultural zoning suits farming and planting. The surrounding area is made up of undeveloped parcels and a few scattered homes. The village centre and the neighbouring villages of Korfi and Gerasa are a short drive away, and the Limassol - Paphos Motorway lies a drive further. This is a sizeable agricultural field in the countryside around Apesia.
