For Sale : **€ 110,500**

Description
Pissouri's village centre is a short drive from this residential plot, with Columbia Beach Resort within reach and Paphos International Airport about 15 km away. The plot measures 710 m² and sits among homes and open parcels of land, with room for the house you have in mind.

The plot fronts a road, giving it direct road access, and water, electricity and telecommunications are available. Its residential zoning allows a home of up to two floors, so the layout, the materials and the finish can follow your own plan from the very first sketch.

Imagine a home designed around the way you live taking shape here, with authentic Cypriot village life close at hand and the wider coast and countryside of the Limassol district waiting beyond. It is a welcoming setting where a new chapter can start from the ground up.

A residential plot with road access and services in place, close to the heart of Pissouri.
