Description
In Tala, a short drive from the village centre and from neighbouring Tremithousa, this field of 2,342 m² lies among residential developments and undeveloped parcels of land. Part of it is in an agricultural zone, suited to farming or planting. Part is in a residential zone, where a home of up to two floors may be built.

The land has no direct road access. It is a sizeable field that offers farmland and room for a home on a single parcel.
