Description
Pissouri village centre lies a short drive from this residential plot, set in a neighbourhood where homes stand alongside open parcels of land. It is a setting that invites you to picture a house of your own taking shape here, close to village life.

The plot covers 804 m² within a residential zone, with room for a home of up to two floors. It fronts a registered road, giving direct road access. Water, electricity and telecommunication services reach the land, so the essentials are in place as you plan your future home.

Imagine designing every room around the way you like to live, then heading out for a morning coffee or an evening meal, with cafés and restaurants a short drive away. For journeys further afield, Paphos International Airport is about 15 km away.

A residential plot in Pissouri with road access, services and room for a home shaped entirely around you.
